## OTHER BUSINESS ACTIVITIES

### A. Investment-Related Businesses and Occupations

Below is a discussion of an *investment-related* business or occupation in which I am engaged, conflicts of interest arising between these activities and advisory clients of Ehlers Investment Partners, LLC, and compensation I receive from such activities:

**I am registered as an** investment adviser representative of Ehlers Investment Partners, LLC (“EIP”), which is an investment adviser registered with the Securities and Exchange Commission (SEC). EIP is affiliated with Ehlers and Associates (“EA”), a municipal advisor registered with the Municipal Securities Rulemaking Board (MSRB), and I am also engaged as a municipal advisor representative of EA. EIP is also affiliated with Bond Trust Services Corporation (BTSC), which is a limited state chartered bank. EIP, EA, and BTSC are owned by a company in which I have a financial interest.

As a municipal advisor representative of EA, I may recommend municipal advisory services for which EA and I will receive customary fees or similar compensation. Similarly, I may recommend to EIP clients the paying agent services offered through Bond Trust Services Corporation, an affiliated limited state chartered bank ("BTSC"), and for which BTSC will earn compensation. EIP, EA, BTSC and I work to manage these conflicts of interest by disclosing them in this Brochure Supplement and emphasizing that you are under no obligation to purchase any municipal products or services I recommend, nor are you under any obligation to hire EA to provide municipal advisory services, or paying agent services I recommend. At any time, you may choose to obtain the same (or similar) products or services from other municipal advisors or paying agent service providers, who may charge less for their services.

Please ask me about the compensation EA, BTSC and I will receive from any municipal advisory products or services you purchase, or from the investment advisory services EIP and I provide. I have an obligation to tell you and you have a right to know how much you are paying us for the financial products and services you purchase.
